

Her new home
is a hatchback sedan

LET'S CHANGE THIS.

Rincon Valley Christian School
Saturday, June 4th - Sunday, June 5th
7am-7am

24
IN YOUR
CAR

24 In Your Car is designed for individuals, families, or groups as a live-in-your-car-a-thon to bring awareness to the growing population of men, women and children living in their cars.

We would love for you, your family, or group to take part in this new event experience! Over the course of 24 hours, participants will hear testimonies, work on service projects for the under-served, participate in discussion groups, experience what a convenience store diet truly means, and find out how little space their car actually has to sleep in.

Location: Rincon Valley Christian School
4585 Badger Road, Santa Rosa, CA

Cost: \$24 per car (includes one person)
\$15 each additional person
(suggested 2 minimum per car)

Participants will be asked to collect pledges for the 24 hours they spend living out of their cars.
